

# NIKOLAI KOZHEKHOV

## SENIOR PROJECT MANAGER

9 years in IT Operations, 2 years in IT B2C of FMCG company. Developed from System Analyst to IT Operations Manager building my managerial skills, but preserving and improving technical skills in the same time. Passionate about technical aspects and technologies. I'm chasing opportunities to be closer to Software Engineering area in order to contribute into creation of big, complex things with lots of technical aspects and develop people as best experts whom I definitely can be proud of.
