

NIKOLAI KOZHEKHOV

IT MANAGER

10 years in IT Operations, 2 years in IT B2C of FMCG company. Developed from Software Engineer to Senior IT Manager building my managerial skills, but preserving and improving technical skills. Passionate about technical aspects and technologies. I'm chasing new opportunities in order to develop people as best experts whom I definitely can be proud of and to build "consumer at the core" products which make the world better.
